

An important message to our supporters

Calgary Association of Self Help places a high value on our relationship with you, our donors. Without your support we would not be able to achieve our mission to promote the abilities of adults with mental illness. We thank you for your commitment to us.

We believe that transparency and accountability are essential to our success. With this in mind, we have recently joined Imagine Canada's Ethical Code Program.

The Ethical Fundraising and Financial Accountability Code lays out a set of standards for charitable organizations to manage and report their financial affairs responsibly. By adhering to these standards, we are complying with generally accepted practices for soliciting and managing donor dollars. This is important because you, our supporters, are entitled to transparency and the greatest impact possible for your investment in us.

If you have any questions about our adherence to the Ethical Code, please feel free to contact Marion McGrath, CEO or request a copy of our latest Annual Report or financial statements.
